Industries

- Aerospace & Defense
- Automotive
- Aviation
- Communications
- Consumer Electronics
- Energy
- Industrial
- Medical

Services

- Worldwide Electronic Components Sourcing
- Excess Inventory Management
- End of Life/Obsolescence Management
- Global Delivery within 24-48h
- Free Quality Testing
- Offices in North America, Europe, and Asia

Benefits

- 1,000+ Brand Name Suppliers
- Net 30-Day Payment Terms
- 24 Month Warranty
- 25+ years of experience
- Multilingual and 24/7 Customer Service
